The ultimate by your side experience

*Here's what
real bride
Sophie said...*

“The best cheerleader (and make up artist...) a girl could wish for on her wedding day!

Dee is nothing short of exceptional. Her hair and makeup skills are insane and she just knows how to keep you calm and chill on quite a stressy day! Everything was perfect. She was there for every question, every query, every wobble, every happy moment.

Me and my bridal party were all ready way ahead of schedule which was just what we needed. It meant we had lots of chill time and weren't rushing around.

She advised on extensions, hair colour/cuts to ask for at the hairdressers, shades of lipstick, what tones of eyeshadow went well with my skin tone, and everything in between.

Dee also helped me get my wedding shoes and jewellery on which I was very thankful for! The attention to detail is amazing. I can't thank her enough for all of her help and advice leading up to our wedding day. Everyone commented on how lovely she was. The perfect personality for this job! - And my makeup didn't budge a bit during the whole day!”

FREQUENTLY ASKED QUESTIONS

A few things you need to know before the big day!

WHERE ARE YOU BASED?

My studio is based in Congleton, CW12 4FS, but I'm happy to travel!

CAN I BOOK A TRIAL BEFORE BOOKING YOU?

Due to high demand for dates, I'm only able to offer trials for brides who have secured and booked their wedding date.

ARE YOU QUALIFIED AND INSURED?

Absolutely! I gained my official qualification for both hair and makeup artistry at the prestigious School of Makeup, and since then I have completed countless training courses to stay up to date and expand my experience.

I'm fully insured for all services, and copies of my insurance can be provided.

ARE LASHES INCLUDED?

Strip lashes are included with each makeup application for brides and bridal party members. Lashes are not included for flower girls.

WHAT PRODUCTS DO YOU USE?

Every product in my hair and makeup kits has been personally tried, tested, and selected for exceptional longevity and performance.

For hair, I work with trusted brands such as OSIS, ColorWow, and OLAPLEX.

For makeup, I use luxury favourites including Dior, NARS, Charlotte Tilbury, and Chanel. This combination of products ensures a long-lasting, camera-ready finish that looks flawless in every light and from every angle.

HOW LONG DOES EVERYTHING TAKE?

To provide a calm and relaxed experience, I always aim to have all hair and makeup completed at least one hour before the ceremony. This gives you time to get dressed and have touch-ups if needed. I then allocate:

Bridal Hair 1hr 30mins / Bridal Makeup 1hr 30mins

Bridal Party Hair 45mins-1hr / Bridal Party Makeup 45mins-1hr
